Wilmot L. Warren.

From the New York Tribune, Bt 120

A useful collection of public documents is published by A. S. Barnes & Co. in "The Con-stitution of the Several States of the Union and United States" prior to the Commencement of the Civil War. The volume also includes the Declaration of Independence, the Articles of Confederation and an Essay on Recent Changes in American State Constitutions, by Wilmet L. Warren. The comparative views which it presents of the Constitutions of the different states render it a convenient book of reference; and an almost indispensable addition to the political library.

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once healthy, and effeetual for preserving the C. hair. Faded or gray hair is soon

with the gloss and freshness of youth Thin lmir is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
